Denomination: Charger wall mount
Model: 70635FF56480F0
Category: eBike accessories
Batch or serial number: -
Intended use: Passive wall support designed exclusively to hold or secure MAHLE chargers for indoor and dry environments. For domestic or semi-professional use only.

MAHLE Smartbike Systems, S.L.U. hereby declares under its sole responsibility that the above-mentioned product:

1. **Has been designed and manufactured** in accordance with the safety principles laid down in **Regulation (EU) 2023/988** on general product safety, ensuring its structural adequacy, stability, and mechanical resistance under foreseeable conditions of use.
2. **Contains no electrical, electronic or battery components** and therefore **falls outside the scope** of the following Union legislation:
 - Regulations (EU) 2023/1230 (Machinery)
 - Regulation (EU) 2023/1542 (Batteries)
 - Directives 2014/30/EU (EMC), 2014/35/EU (LVD), 2011/65/UE (RoHS), and 2014/53/EU (RED)
3. **Complies with the general safety requirements** applicable to consumer products under Regulation (EU) 2023/988 and it has been internally verified by load and resistance tests according to internal MAHLE Smartbike Systems specifications.
4. Is not part of the propulsion system and does not affect EPAC functional safety, therefore **not subject** to the harmonized standard **EN 15194:2017+A1:2023**.
5. **Is intended solely** for the mounting of MAHLE chargers and shall not be used with other on-MAHLE products.
